

3Ne 26:11

“Behold, I was about to write them, all which were engraven upon the plates of Nephi, but the Lord forbade it, saying: I will try the faith of my people.”

Lately, I have been thinking about this particular verse and scripture. I have been thinking about how we, as a people (LDS faith), have to be ready to receive revelation. This day and age, so many people have been thirsting and hungering after knowledge that we have had so many things come forward that have been so enlightening! I look at the younger generations and it is almost like their spirits are on fire for their faith, knowledge and ability to bring things forward that haven't been noticed until now. I know that a lot of these young ones are working hand-in-hand with our Lord to bring these things about! All I can say is thank you!
